

**HOP COMPARISON CHART**

Commercial look & taste-alikes. Try them . . . You will be amazed

Here are just a few recipes for spirits & liqueurs that taste similar to the popular commercial styles. They are not exactly the same but if you like the original, you will almost certainly like the one you make from its recipe here.

**Great News for Whisky Drinkers**

There is particularly good news for you if you are a whisky drinker. The recipes that come with the Still Spirits Whisky Profile Kit are amazingly authentic in taste.

The Whisky Profile Kit is a unique product that allows you to combine the individual flavour components of whiskies to create any whisky style you like. With four different basic whisky profiles & eight additional flavour components, there is no limit to the number of whisky styles you can make.

The recipe book that comes with the kit has recipes for Glenfiddich, Tullamore Dew, Teachers, Jamesons, Johnny Walker Red & Black Label, Laphroaig & others.
